

# Driver's Education Summer Schedule

All students are required to meet in the classroom on the following days. Class will meet from 7:30-1:30. The cost is 150.00 for Cullman County students and 200.00 for out of system students.

May ---- 29,30,31

June ---3,4

After the class work is complete, I will assign each student to a driving schedule. The student will only attend the designated driving day(s) of driving. This schedule will be given to the students before the class work is completed. If you have any questions, please let me know.

Thanks, R. Elliott

My child \_\_\_\_\_ will be attending driver's education this summer.
